

Homemade Puzzles

The Trinket Box-solution

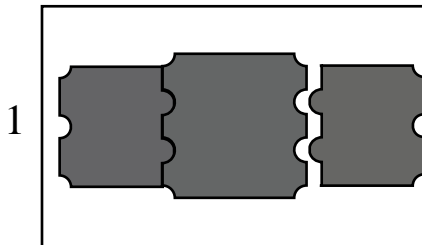

Do you really need a solution to this puzzle?
There's more fun in making it.
Oh, all right then...

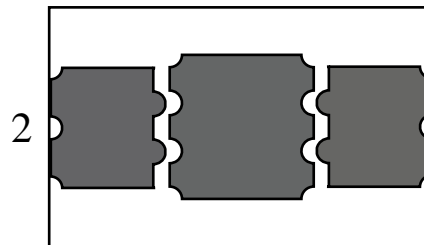

Looking down on the box, follow these steps:

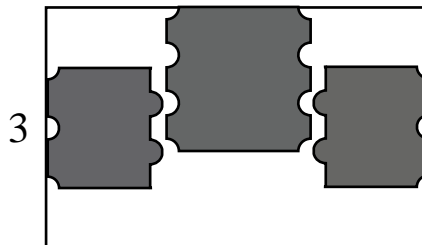

Start position

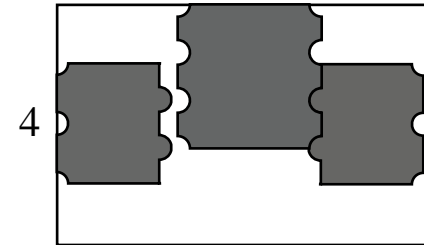

1 Pull the right part outwards

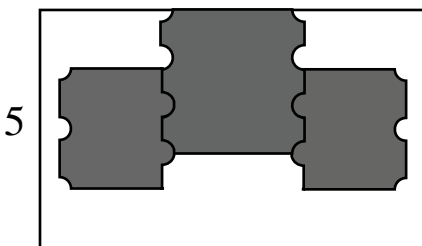

2 Pull the left part outwards

3 Push the middle part backwards

4 Push the right part back inwards...

5 Push the left part back inwards....

6

Enjoy your puzzle

...and take the lid off.
